

If you sign up to play in a YUGC event you are committing yourself to play in that event, please double check that you can play on the date of the competition.

If you can't play do not withdraw your name after the draw has been done, it causes a massive amount of work to do a redraw. It is your responsibility to arrange a substitute, failure to do so or not turn up without a strong valid reason you will incur a one month ban from all club competitions and a ban from all YUGC competitions for a Year.
