

Catering at Pike Hills Golf Club

The Clubhouse at Pike Hills Golf Club is not only a friendly home for members and visitors alike but it also provides the comfortable and ideal setting to relax and enjoy a drink or meal with friends with stunning views over the golf course. Whether it is the main bar, George Lounge, or overlooking the first hole of the golf course.

Very few people have the luxury to do what they love. I am one of the lucky ones who can come to work and enjoy my job as a chef, every day is different!. I have the opportunity to be inventive and create food and memorable experiences for our members and guests.” – Steve Simpson-Head Caterer

We look forward to welcoming you to Pike Hills Golf Club soon.
