Dear Manager/Secretary

Congratulations, we are delighted to inform you Pike Hills Golf Club has been re-awarded **SafeGolf** and in so demonstrating commitment to safeguarding the welfare of children and young people, as well as adults at risk in the sport of golf.

Please find attached your SafeGolf certificate this is to display within your club to promote your award to current and prospective members and visitors.

The SafeGolf award is valid for 12 months and as part of your accreditation your club should look to continually update records using the evidence check list so that relevant training does not expire and all information remains accurate. Your Club and County Support Officer will contact you of when the Annual renewal is due.

Should your contacts details change, please ensure you update your Club and County Support Officer or the Club Support team at clubsupport@englandgolf.org.

Please note your club's SafeGolf award may be withdrawn at any time if we are made aware of any changes that are not consistent with the essential requirements of SafeGolf.

Once again congratulations on being re-awarded SafeGolf. Please do not hesitate to contact your Club and County Support Officer or the Club Support Team should you have any queries.

Yours sincerely,

Jeremy Tomlinson

SafeGolf is a UK & Ireland safeguarding partnership which promotes a safe and positive environment for everyone in the sport. It offers a website – **www.safegolf.org** – through which anyone with a concern about the welfare of a player, or the behaviour or practice of a coach, volunteer, organiser, parent or a player, can contact the lead safeguarding officer at their national governing body. The SafeGolf accreditation for English clubs is an extension of the service.
