Minutes
The Minutes of the Meeting held on Tuesday, 7th July 2026, were proposed as being a true record by Julie Kelly and seconded by Gill Kendall.

Matters Arising
Gill Kendall reported that the 5 and fizz for new lady members is proving very successful with 21 ladies at the first session. One session had to be cancelled due to a mens competition that day but other sessions are planned for a few Wednesdays to follow.

Lady Captains Report
What a lovely day we had for our Lady Captain's Day, with more than 50 members taking part and coming together to enjoy a fantastic day as a club. I was delighted that, through everyone's generosity, we were able to raise over £400 for Parkinson's York/ Parkinson's UK. It was wonderful to be able to support such a worthwhile cause, and I hope this is something we can carry forward for other charities in future years.
We enjoyed a lovely meal and wonderful day together with plenty of laughter, friendship and good company. It was a great opportunity for us all to come together and celebrate being part of a big ladies section.
On a separate occasion, a special shoutout to the Chicks with Sticks, who came first in the ladies section on Hospice Day, a fantastic achievement and one to be very proud of! A huge thank you to everyone who took part and helped make both occasions so special.

Ladies New to Golf

LNTG Stage 2 (Improvers) has now completed. Those ladies who took up the 6-week Taster Membership are now getting out on the course. A number have signed up for the 5 & Fizz sessions organised by Gill Kendall. So far, 2 of these ladies are in the process of taking up full membership making a total of 4 so far from this year's LNTG.

Women in Golf Report

Vicki Joughin, Gill Kendall and I attended an England Golf Women's Membership Network event in Manchester on 8th July to meet other Pioneer Clubs. It was an interesting day and one which showed us how much progress Pike Hills has made in recruiting women compared to most clubs. Since then, we have recruited a number of other ladies from the Club to be part of our Women's Pioneer Group. Our first meeting is on 24th August and will be attended by Lucinda Rigg from England Golf who will explain to everyone what England Golf are looking to achieve.

Items Discussed

- Lady Vice reported that the exchange day was now all sorted. The format will be a Texas scramble with 90% handicap allowance.
- We discussed the club t shirts and tops which our players wear to competitions. Max to liase with Chris in the pro shop to obtain samples in all sizes so that ladies can try before ordering.
- Exchange day next year, after being let down by Pontefract Lady Vice has sourced another club in Halifax. Her contact is taking the proposal to her committee on the 20th September and we should hear sometime after that.

Any Other Business

- We had a comment again in the suggestions book re slow play etc. It was discussed that we could hold a rules/etiquette session for new starters and anyone else who would like to attend. We will try to arrange this with the appropriate representatives in the club.

- We have been approached by Normanton Golf Club to arrange a friendly at the end of October this year.

- Ladies Social was discussed as there is no date for this in the diary. We confirmed Friday 13th November and Max will advise Alistair and Paul. Lady Captain to arrange the evening.

- We would also like to acknowledge and thank our lady members for the outstanding work they continue to do around the club. Valarie and Suzanne have recently given their time to paint all the markers around the course, while Pauline Brown and her team of helpers have been busy with sessions of Balsam Bashing, along with other important grounds maintenance work. Their time, hard work and commitment are very much appreciated and make a real difference to our club and course. Thank you to everyone involved.

Date of next meeting -

Tuesday 13th October at 3.00 p.m.
